Our quality assurance

Plantronics manufactures a range of spares and accessories to ensure users get the optimal performance from their headset solutions. When consumable items are replaced, it is recommended that Plantronics genuine parts are used.

All Plantronics spares and accessories are tested to the same rigorous standards as our headsets. This ensures a prolonged product life and better user experience.

Example of reliability test performed on a Plantronics Voyager Legend eartip;

Don't compromise on the performance of your audio solution – insist on Plantronics.

Eartip is stretched to withstand 8 pounds of pull force
